MENU ITEMS PREPARED WITH GLUTEN-FREE INGREDIENTS Kitchens in Yellowstone National Park are not gluten-free environments. The gluten-free menu items were determined based on the most current ingredient lists provided by our suppliers and their stated absence of wheat/gluten within these products. Our kitchens do use wheat flours and other wheat based ingredients during production of other menu items. Our operations have shared preparation and cooking areas and designated gluten-free areas do not exist. Based on this, we cannot guarantee that any menu item is completely gluten-free. **Fried items are fried in oil that may contain gluten.**
