YELLOWSTONE IN THE LAP OF LUXURY

The newest and most unique way to visit the world's first national park, our Yellowstone Signature Experience offers a comprehensive yet leisurely week-long experience of all the best that Yellowstone has to offer. Each day will combine viewing of iconic vistas and/or spectacular wildlife with meals tailored to each participant's palate, culturally significant events, and leisure and cocktail times for relaxation. Espying the critters in Lamar and Hayden Valleys, crossing Yellowstone Lake by boat, allowing the Lower Falls of the Grand Canyon of the Yellowstone River speak to you, appreciating the "first Americans" who experienced this wonderland, geysers, hot springs, food, drink, and historic hotels – we're happy to put our signature on this experience!

THE OLD WEST

This morning, you will meet your guides in front of the hotel for a 6:30 a.m. departure to famous Lamar Valley in one of the Park's Historic Yellow Buses, which first toured the Park in the latter 1930s. Wildlife watching is our goal for the morning, and many of the Park's species of spectacular mega-fauna are crepuscular (that is, most active at dawn and dusk), so we'll take an early day to go and try our luck.

We'll enjoy breakfast and lunch "field meals" today, and after watching the wild things for the morning we'll plan on arriving at Roosevelt Corral at 1:30 p.m. for a fitting for a complimentary Stetson cowboy hat followed by a horseback or stagecoach ride.

We'll then enjoy the serenity of the porch at Roosevelt Lodge until dinner. After dinner we'll return to Mammoth Hot Springs for evening cocktails.

- Breakfast and lunch in Yellowstone's wild country.
- Stetson hat fitting at Roosevelt Corral.
- Horseback (or stagecoach) riding from Roosevelt Corral.

We'll visit the iconic waterfalls at the Grand Canyon of the Yellowstone, then stop at Canyon Village for a catered lunch in Canyon Lodge's M66 Dining Room, after which we'll make our way for the afternoon through Hayden Valley and on to the Lake Yellowstone Hotel.

At Lake a personal shopper will assist all with the artistic and other offerings of the hotel's Gift Shop.

One of Yellowstone's signature artists will join the group for dinner in the hotel's Dining Room at 6:30 p.m., followed by cocktails in the Sun Room at the gloaming.

Enjoy a catered lakeside lunch at the Lake House upon arrival at Grant Marina.

After lunch, relax and enjoy the open air aboard a classic Yellowstone Historic Yellow Bus as you return to Lake Hotel. Later, join Scott Frazier, acclaimed Indigenous educator and enrolled Crow Tribal Member, for an immersive nature walk by the lake. Learn to connect deeply with Yellowstone's serene environment and discover its quieter, hidden wonders.

We'll enjoy an eruption of Old Faithful Geyser either before or after a private lunch in the Old Faithful Snow Lodge Dining Room.

Possibilities exist for exploring the geyser basin or for leisure time in the Old Faithful Inn. In mid-afternoon, we'll check into the Inn for the evening and enjoy the views of the expansive lobby from the mezzanine, where you'll receive a Wyoming State Flag with documentation that it has flown over the Inn.
