

## SIGNATURE EXPERIENCE

### EXPERIENCE YELLOWSTONE LIKE NO OTHER

The newest and most unique way to visit the world's first national park, our Yellowstone Signature Experience offers a comprehensive and extended experience of all the best that Yellowstone has to offer. Each day will combine viewing of iconic vistas and/or spectacular wildlife with tailored meals, culturally significant events, and leisure and times for relaxation. Espying the critters in Lamar and Hayden Valleys, crossing Yellowstone Lake by boat, allowing the Lower Falls of the Grand Canyon of the Yellowstone River to speak to you, appreciating the "first Americans" who experienced this wonderland, geysers, hot springs, food, drink, and historic hotels – we're happy to put our signature on this experience!

Six amazing days exploring the intimate areas of the Greater Yellowstone Ecosystem on historic buses, stagecoaches, and a modern minibus, your days will end early enough for time to enjoy historic and famous hotels, eat from a menu specialized for this adventure, shop, and enjoy a cocktail and a comfortable chair.

*Most sightings of wildlife occur at a distance; your guide will provide high-powered spotting scopes and binoculars for viewing.*
