ROOSEVELT RENDEZVOUS SESSION 1

The Roosevelt Rendezvous Lodging & Learning package features three days of learning, exploration, and fun in Yellowstone. During the day, you will choose from a variety of full-day and half-day trips. Late afternoons and early evenings are reserved for rest and reflection. Read, explore the surrounding trails, have a drink on the Roosevelt Lodge porch, chat with other participants in the main lodge, or relax in your cabin. Roosevelt Rendezvous creates an intimate social atmosphere allowing participants to learn from each other and build lasting relationships with the park, as well as with each other. Each evening, participants will return to their accommodations at the Roosevelt Lodge.

Each evening, Yellowstone Forever field educators introduce the next day's excursions and participants sign up for their chosen activity. Dinners are served buffet-style in the main lodge where participants exchange tales of the day's field trips and enjoy good food and company in a historic environment. Dinners are followed by evening educational presentations by Yellowstone wildlife biologists, historians, naturalists, photographers, or other fascinating guests.

Most sightings of wildlife occur at a distance; the field educator will provide high-powered spotting scopes and binoculars for group use.

WHAT'S INCLUDED?

- 4 nights lodging
  - 4 nights lodging at Roosevelt Lodge - Roughrider cabins

HERE'S WHY THIS PACKAGE STANDS OUT:

• **Yellowstone Forever is Yellowstone National Park's official nonprofit education and fundraising partner.** Yellowstone Forever's mission is to protect, preserve, and enhance Yellowstone National Park through education and philanthropy. *To learn more about Yellowstone Forever, visit our website,* Yellowstone.org.
• **Support Yellowstone National Park.** Proceeds collected by Yellowstone Forever educational programs are used to preserve Yellowstone National Park and provide more opportunities for people to experience its magic.
• **Yellowstone Forever Field Educators are formally trained.** The Yellowstone Institute has been providing in-depth educational programs in Yellowstone for over 40 years. Yellowstone Forever field educators are among the best experts in Yellowstone. Educational staff are passionate professionals with significant training who are dedicating their careers to this vital work. They live in the Yellowstone ecosystem, they work and train alongside park researchers and educators, and thus can provide accurate and exciting behind-the-scenes perspectives on the park's natural and cultural history. They know where to go and when, and they handle all the details to make the experience as enjoyable as possible.
• **Small group size.** The program capacity size allows participants to enjoy camaraderie with fellow participants and receive more attention in a small group setting. It allows the educator to take an inquiry-based approach to learning and tailor the experience to the group's specific interests.
• **Essential equipment provided.** Yellowstone Forever provides high-quality scoping equipment to bring distant wildlife into crisp, clear view. Educators are at a minimum Wilderness First Aid certified. They carry a first aid kit and handheld radio during all outings and provide bear spray to participants if hiking in bear country. Additionally, they incorporate teaching aids such as skulls, tracks, pelts, books, and test equipment such as temperature guns for thermal features.
• **Incredible in-park lodging.** All lodging in this package is in the park, within short walking distance from popular features and spectacular scenery. This allows more time in the evenings.

PROGRAM ITINERARY

The itinerary is designed to take advantage of the best opportunities in the park but may be adjusted to adapt to weather conditions, wildlife activity, holidays, and road construction.

ACTIVITY LEVEL

HOW FIT DO YOU NEED TO BE?

• Activity levels for field trips on this program vary. Most hikes take place at elevations between 6,000 to 7,500 feet. Participants residing at lower elevations may want to arrive a day early to adjust to the altitude.

• To learn more about how specific medical conditions can be affected by Yellowstone's environment and our activities, please visit our site page on health information.

• All field activities will be conducted as a group. If members of the group cannot participate in the day's activities, they need to let the educator know in advance.

To participate in this program, each participant must fill out and sign a health questionnaire and assumption of risk waiver. These forms must be completed and returned at least 30 days prior to the program start date.

WHOM TO CONTACT

For any questions, concerns, or additional information, please contact the following:

GENERAL EQUIPMENT & CLOTHING LIST

Much of the program time will be spent outdoors, and participants should be prepared for a variety of mountain weather conditions and temperatures. Appropriate clothing, equipment, and footwear are important. Summer temperatures can range from below freezing in the mornings to 85° Fahrenheit in the afternoons. The layered use of garments for protection against the wind, sun, and temperature extremes should guide clothing choices.

**The Field Educator will be carrying a first aid kit, bear spray, and emergency communication device.*

EQUIPMENT

- **Daypack**, with enough capacity to carry extra clothes, water, lunch, camera, binoculars, etc.
- **Water bottle**, participants will receive a Nalgene water bottle as a gift during the program orientation. Guests should always keep a minimum of one quart of water on hand to facilitate proper hydration.
- **Sunglasses**
- **Sunscreen/Lip protector**, sun at high altitude can burn unprotected skin quickly
- **Optics,** camera and binoculars

CLOTHING

- **Insulating underwear**, capilene, polypropylene, wool, or similar wicking fabric
- **Midweight insulating layer**, a light synthetic fleece or wool shirt/pullover
- **Heavyweight insulating layer**, wool, down, or heavy-weight fleece jacket
- **Waterproof and windproof outer layer**, lightweight and breathable, jackets and pants
- **Short-sleeve shirt**, cotton is okay in summer, but synthetic, wicking shirts are ideal

Pants, synthetic hiking pants – jeans are not recommended

- **Hat**, both a brimmed sun hat and an insulating hat for cool weather
- **Gloves**, lightweight glove liners and a pair of wool/fleece gloves or mittens
- **Socks**, specifically designed for hiking, that wick moisture
- **Hiking boots that provide stability and traction**, make sure they are broken in, comfortable, and do not cause hot spots or blisters
- **Off-duty shoes**, sandals, athletic shoes, or other leisure footwear

CANCELLATION & REFUND POLICY

The following policies apply to Lodging & Learning packages. If you cancel:

• 60 days or more prior to the start of your package, 100% of your payment will be refunded.

• 30 days or more prior to the start of your package, 50% of your payment will be refunded.

• If you cancel with fewer than 30 days before the start of your program, your full payment will be forfeited.

Please call the Yellowstone National Park Lodges Reservations Office at 307-344-7311 to cancel.

We recommend the purchase of travel insurance to help protect you against financial loss if you must cancel or interrupt your trip due to unforeseen circumstances.

CODE OF ETHICS

Yellowstone Forever is committed to demonstrating a high standard of appropriate and ethical behavior in Yellowstone. As a participant on a Yellowstone Forever program, participants will adhere to the following Code of Ethics. In addition to the ethics highlighted below, the Yellowstone Forever abides by all National Park Service rules and regulations, in addition to practicing Leave No Trace guidelines for traveling responsibly in the wilderness.

OBSERVING WILDLIFE

Groups will do their best to have as little impact on wildlife as possible. Animals will be observed from a distance, using high-powered spotting scopes to help keep the group presence from affecting their behavior. Participants should not expect to get close-up photographs of wildlife. Yellowstone Forever adheres to National Park Service regulations by keeping a minimum distance of 25 yards from bison, elk, bighorn sheep, deer, moose, coyotes, and nesting birds and 100 yards from bears and wolves. Wildlife will not be enticed with food, animal calls, or any actions that change their behavior.

LEAVE WHAT YOU FIND

It is illegal to remove natural or cultural artifacts (plants, animals, bones, rocks, etc.) from Yellowstone. Yellowstone Forever educators have permission from the National Park Service to manipulate plants, rocks, bones, etc. for educational purposes and will return them to their natural positions and locations.

GENERAL ETIQUETTE

Yellowstone Forever groups will be considerate of other visitors and respect the quality of their experience. Voices and vehicle sounds carry great distances and affect both wildlife and people – remaining silent or very quiet while watching wildlife lets the sounds of Yellowstone (including wolf howls) prevail.

ROADS AND VEHICLES

Expect wildlife on the road and drive at or below the posted park speed limits. When stopping to observe wildlife or other park features, Yellowstone Forever field educators will move vehicles entirely off the road. If there is no safe pullout available, educators will drive to the next safe place and walk back to observe the wildlife. Yellowstone Forever will not stop in the middle of the road and should a traffic jam develop because of the group's activities, the activity will cease.

PHOTO JACOB FRANK

PROPERLY DISPOSE OF WASTE

Participants will pack out all trash, leftover food, and litter. Field Educators will discuss techniques for properly disposing of human waste in the field.

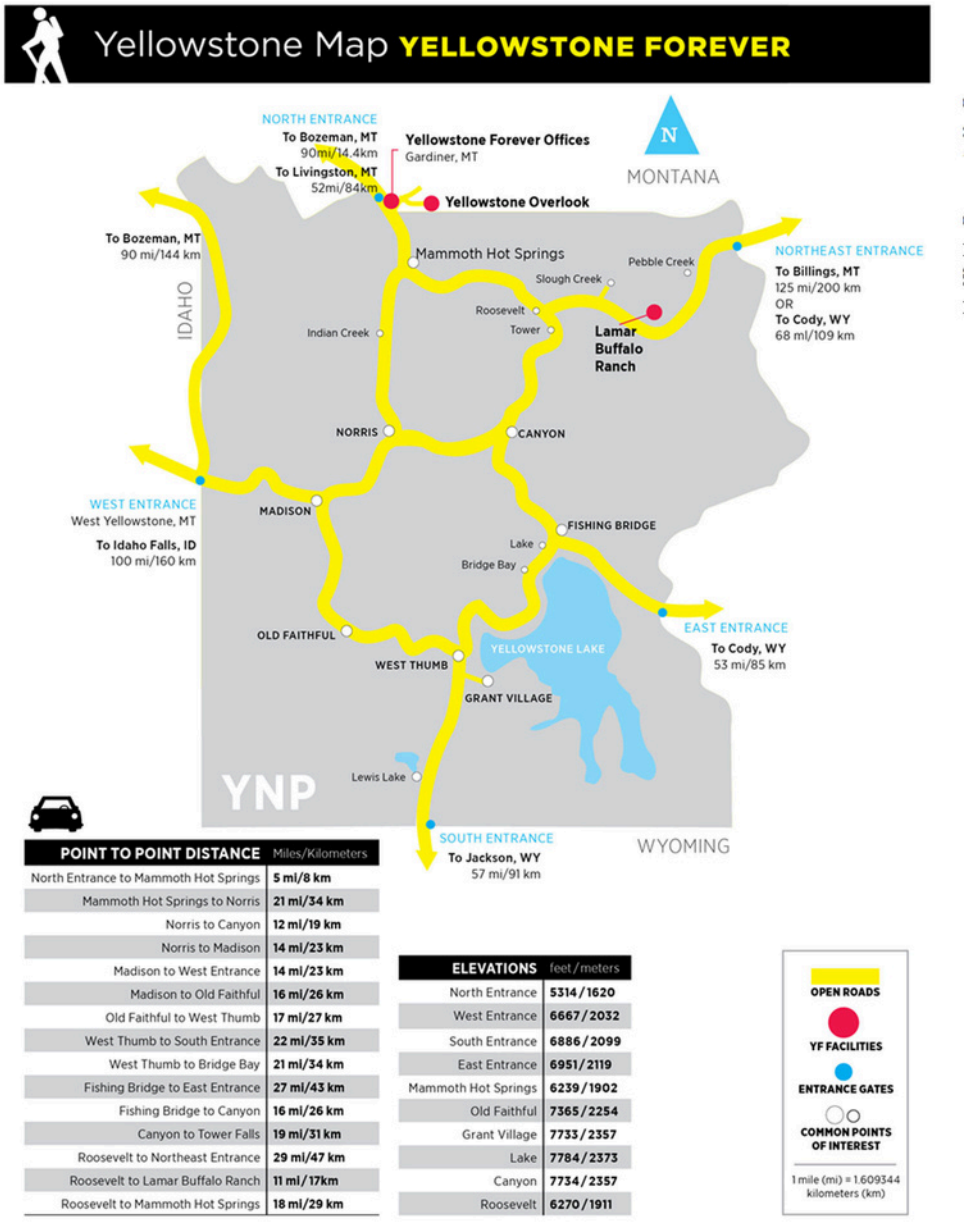

TRAVELING LIGHTLY

When hiking or walking Yellowstone, groups will use existing trails and boardwalks. Hikers will follow appropriate techniques when walking off-trail – walking around muddy or wet places in the trail increases erosion and negatively affects the resource; proper equipment is essential to hiking ethically. Participants should come adequately prepared with the equipment listed for the program and should expect to walk through mud, snow, or puddles in the trail.

MAP

Plan on extra driving time in the park, the speed limit is 45 mph or lower and road conditions can vary. There may also be construction delays.
