

YELLOWSTONE FOREVER

OLD TIMES ON THE GRAND TOUR

Itinerary & Details

SUMMER 2023

The **Old Times on the Grand Tour** Lodging & Learning package is designed for those who want to enjoy some of the best experiences Yellowstone has to offer while traveling in style. The package is offered by Yellowstone National Park Lodges, covering lodging arrangements, meals, and transportation, with Yellowstone Forever providing educational programming. In this all-inclusive package, you'll be transported in a vintage 1930's White Motor Co. "Historic Yellow Bus" while visiting the most popular destinations in the park.

Each day you will venture out with a Yellowstone Forever field educator and Yellowstone National Park Lodges (YNPL) driver guide for a new adventure exploring each region of the park. We will incorporate short, scenic hikes throughout the program getting to take in Yellowstone's most famous views. We'll leave early each day to beat the crowds and increase the odds of seeing Yellowstone's charismatic megafauna that are most active at dawn and will return early every evening, leaving you time to relax and wind down from the day.

Most sightings of wildlife occur at a distance; the field educator will provide high-powered spotting scopes and binoculars for group use. However, participants are encouraged to bring additional scopes and binoculars if they have them.

Gratuities for the Yellowstone Forever field educators are not included but are recommended and greatly appreciated.

WHY CHOOSE A LODGING & LEARNING PROGRAM?

These award-winning Lodging & Learning packages are developed through a partnership with Yellowstone National Park Lodges and Yellowstone Forever. These packages combine the best lodging locations with an exceptional immersive field education experience. Here's why this package stands out:

- **Yellowstone Forever is Yellowstone National Park's official nonprofit education and fundraising partner.** Yellowstone Forever's mission is to protect, preserve, and enhance Yellowstone National Park through education and philanthropy. To learn more about Yellowstone Forever, visit our website, [yellowstone.org](https://www.yellowstone.org).
- **Support Yellowstone National Park.** Proceeds collected by Yellowstone Forever educational programs are used to preserve Yellowstone National Park and provide more opportunities for people to experience its magic.
- **Yellowstone Forever Field Educators are world class.** The Yellowstone Institute has been providing in-depth educational programs in Yellowstone for over 40 years. Yellowstone Forever field educators are among the best experts in Yellowstone. Educational staff are passionate professionals with significant training who are dedicating their careers to this vital work. They live in the Yellowstone ecosystem, they work and train alongside park researchers and educators, and thus can provide accurate and exciting behind the scenes perspectives on the park's natural and cultural history. They know where to go and when, and they handle all the details to make the experience as enjoyable as possible.
- **Small group size.** Lodging & Learning programs have a max capacity of 9. The program capacity size allows participants to enjoy camaraderie with fellow participants and receive more attention in a small group setting. It allows the educator to take an inquiry-based approach to learning and tailoring the experience to the group's specific interests.
- **Essential equipment provided.** Yellowstone Forever provides high-quality scoping equipment to bring distant wildlife into crisp, clear view. Educators are at a minimum Wilderness First Aid certified. They carry a first aid kit and handheld radio during all outings and provide bear spray to participants if hiking in bear country. Additionally, they incorporate teaching aids such as skulls, tracks, pelts, books, I-Pads with videos, and test equipment such as temperature guns for thermal features.
- **Incredible in-park lodging.** All lodging in this package is in the park, within short walking distance from popular features and spectacular scenery. This minimizes drive time during daily outings and allows more time to enjoy the park's features at a relaxing pace. It also allows more time in the evenings, after daily outings, to relax and enjoy the beautiful surroundings.

PROGRAM ITINERARY

The itinerary is designed to take advantage of the best opportunities in the park, but may be adjusted to adapt to weather conditions, wildlife activity, holidays, and road construction.

Day 1 **Welcome and Orientation**

Participants are welcome to check into the Mammoth Hot Springs Hotel beginning at 4:30 p.m. After checking in, guests will meet a Yellowstone Forever field educator for an orientation. Education staff will go over the program itinerary, discuss clothing and equipment needed for daily outings, and answer any questions participants may have. *Participants will be spending this evening at the Mammoth Hot Springs hotel.*

ACTIVITY LEVEL

How fit do you need to be?

This program is rated **Level 2** on Yellowstone Forever's Activity Level Scale.

Participants should be prepared to hike up to 3 miles per day comfortably with elevation gains of up to 600 feet. Some off-trail hiking is possible. Most hikes will take place at elevations between 6,000 to 7,500 feet. Participants residing at lower elevations may want to arrive a day early to adjust to the altitude. To learn more about how specific medical conditions can be affected by Yellowstone's environment and our activities, please visit [our site page](#) on health information.

All field activities will be conducted as a group. If members of the group cannot participate in the day's activities, they need to let the educator know in advance.

To participate in this program, each participant must fill out and sign a health questionnaire and assumption of risk waiver. Registrants receive a link to this form in their confirmation letter which is sent via e-mail. These forms must be completed and returned at least 30 days prior to the program start date.

CANCELLATION AND REFUND POLICY

The following policies apply to Lodging & Learning packages. If you cancel:

- 60 days or more prior to the start of your package, 100% of the package cost will be refunded.
- 30 days or more prior to the start of your package, 50% of the package cost will be forfeited.
- If you cancel with fewer than 30 days before the start of your program, 100% of the package cost will be forfeited.

Please call the Yellowstone National Park Lodges Reservations Office at 307.344.7311 to cancel.

We recommend the purchase of travel insurance to help protect you against financial loss if you must cancel or interrupt your trip due to unforeseen circumstances.

COVID-19 HEALTH & SAFETY

Yellowstone Forever continues to adopt appropriate sanitization measures as prescribed by the [Centers for Disease Control and Prevention \(CDC\)](https://www.cdc.gov/). Guests are encouraged to refer to this respected resource when making near-term travel plans.

Yellowstone Forever and Yellowstone National Park Lodges are in frequent contact with local authorities and partners such as county health departments and the National Park Service to continually monitor the situation on a regional level. Both entities are closely monitoring government policy changes, CDC guidelines, government mandates, and public health advancements, and will continue to make changes as necessary and appropriate to operations.

These protocols have been updated as of May 2022, please visit our website: <https://www.yellowstone.org/covid-19-health-safety/> for up-to-date protocols and information.

GENERAL EQUIPMENT & CLOTHING LIST

Much of the program time will be spent outdoors, and participants should be prepared for a variety of mountain weather conditions and temperatures. Appropriate clothing, equipment, and footwear are important. Summer temperatures can range from below freezing in the mornings to 85•Fahrenheit in the afternoons. The layered use of garments for protection against the wind, sun, and temperature extremes should guide clothing choices.

***The field educator will be carrying a first aid kit, bear spray, and emergency communication device.**

Equipment:

- **Daypack**, with enough capacity to carry extra clothes, water, lunch, camera, binoculars, etc.
- **Water bottle**, participants will receive a Nalgene water bottle as a gift during the program orientation. Guests should always keep a minimum of one quart of water on hand to facilitate proper hydration.
- **Hand Sanitizer**
- **Sunglasses**
- **Sunscreen/Lip protector**, sun at high altitude can burn unprotected skin quickly
- **Optics**; camera and binoculars

Clothing:

- **Insulating underwear**, capilene, polypropylene, wool, or similar wicking fabric
- **Mid-weight insulating layer**, a light synthetic fleece or wool shirt/pullover
- **Heavyweight insulating layer**, wool, down, or heavy-weight fleece jacket
- **Waterproof and windproof outer layer**, lightweight and breathable, jackets and pants
- **Short-sleeve shirt**, cotton is okay in summer, but synthetic wicking shirts are ideal
- **Pants**, synthetic hiking pants - jeans are not recommended
- **Hats**, both a brimmed sun hat and an insulating hat for cool weather
- **Gloves**, lightweight glove liners and a pair of wool/fleece gloves or mittens
- **Socks**, specifically designed for hiking, that wick moisture
- **Hiking boots that provide stability and traction**, make sure they are broken in, comfortable, and do not cause hot spots or blisters
- **Off-duty shoes**, sandals, athletic shoes, or other leisure footwear

CODE OF ETHICS

Yellowstone Forever is committed to demonstrating a high standard of appropriate and ethical behavior in Yellowstone. As a participant on a Yellowstone Forever program, participants will adhere to the following Code of Ethics. In addition to the ethics highlighted below, the Yellowstone Forever abides by all National Park Service rules and regulations, in addition to practicing Leave No Trace guidelines for traveling responsibly in the wilderness.

Observing wildlife: Groups will do their best to have as little impact on wildlife as possible. Animals will be observed from a distance, using high-powered spotting scopes to help keep the group presence from affecting their behavior. Participants should not expect to get close-up photographs of wildlife. Yellowstone Forever adheres to National Park Service regulations by keeping a minimum distance of 25 yards from bison, elk, bighorn sheep, deer, moose, coyotes, and nesting birds and 100 yards from bears and wolves. Wildlife will not be enticed with food, animal calls, or any actions that change their behavior.

Leave what you find: It is illegal to remove natural or cultural artifacts (plants, animals, bones, rocks, etc.) from Yellowstone. Yellowstone Forever educators have permission from the National Park Service to manipulate plants, rocks, bones, etc. for educational purposes and will return them to their natural positions and locations.

General etiquette: Yellowstone Forever groups will be considerate of other visitors and respect the quality of their experience. Voices and vehicle sounds carry great distances and affect both wildlife and people—remaining silent or very quiet while watching wildlife lets the sounds of Yellowstone (including wolf howls) prevail.

Roads and vehicles: Expect wildlife on the road, and drive at or below the posted park speed limits. When stopping to observe wildlife or other park features, Yellowstone Forever field educators will move vehicles entirely off the road. If there is no safe pullout available, educators will drive to the next safe place and walk back to observe the wildlife. Yellowstone Forever will not stop in the middle of the road and should a traffic jam develop because of the group's activities, the activity will cease.

Properly dispose of waste: Participants will pack out all trash, leftover food, and litter. Field Educators will discuss techniques for properly disposing of human waste in the field.

Traveling lightly: When hiking or walking in Yellowstone, groups will use existing trails and boardwalks. Hikers will follow appropriate techniques when walking off-trail - walking around muddy or wet places in the trail increases erosion and negatively affects the resource; proper equipment is essential to hiking ethically. Participants should come adequately prepared with the equipment listed for the program and should expect to walk through mud, snow, or puddles in the trail.
